

NATIONALLY RECOGNIZED COMPREHENSIVE CANCER CARE

UPMC Hillman Cancer Center connects patients to the integrated expertise of leading clinicians, academic researchers, specialty programs, and treatment centers. As the only National Cancer Institute-designated Comprehensive Cancer Center in the region, we are accelerating the breakthroughs in our labs into clinical practice around the world. With the collective strength of UPMC and the University of Pittsburgh, UPMC Hillman Cancer Center is transforming cancer research, care, and prevention — one patient at a time.

OUR MISSION: TO PROVIDE EXCEPTIONAL PATIENT CARE AS A WORLD LEADER IN UNDERSTANDING, PREVENTING, AND TREATING CANCER THROUGH THE INTEGRATION OF SCIENTIFIC DISCOVERY, CLINICAL EXCELLENCE, AND COMMUNITY PARTNERSHIPS, WHILE TRAINING THE NEXT GENERATION OF CANCER EXPERTS.

OUR VISION: TO BRING TOGETHER COMPASSIONATE CARE AND TRANSFORMATIVE RESEARCH TO ACHIEVE THE EXTRAORDINARY: **LIFE WITHOUT CANCER.**
