

Live Yes!

JA INSIGHTS

For parents with children ages 5 to 17 with juvenile arthritis

Make a better tomorrow possible in just 10 Minutes today.

Parents of children ages 5-17 are invited to take part in the **Live Yes! JA INSIGHTS** research assessment. By participating you may help change today and tomorrow for 300,000 children and families like yours.

There are so many what-ifs for a child growing up with arthritis. And as a parent and caregiver, you worry about what their quality of life will look like down the road. What if you could give just 10 minutes today and know their tomorrow may be better because of it?

HELP UNCOVER A BRIGHTER FUTURE. Be part of the effort to make change possible.

Don't miss out.
