

# DIGITAL HEALTH SUMMIT

JAN.  
**29-30** Pittsburgh, PA  
2026

Presented by UPMC and the  
University of Pittsburgh Schools  
of Health Sciences

**The Digital Health Summit** is a premier gathering of healthcare visionaries and technology pioneers, united by a shared mission: to shape the future of digital health. By bridging health science schools and industry leaders, the summit promotes cross-sector collaboration to accelerate advancements in healthcare delivery, medical education, and patient outcomes.

Sponsorship of The Digital Health Summit enables reach to the most influential leaders in the realms of healthcare and academic research. Through a day and a half of intimate programming and networking, sponsors can interact directly with key decision makers.

**For more information about sponsorship, please contact Marianna Stayer, [stayerm@upmc.com](mailto:stayerm@upmc.com).**
