**MAY 12, 2016**

9:00 AM - 6:00 PM

**CHILDREN'S HOSPITAL  
OF PITTSBURGH OF UPMC**

4401 Penn Ave.  
Rangos Research Center,  
Pittsburgh, PA 15224

## NEPHROTIC SYNDROME: CLINICAL CHALLENGES AND EVIDENCE-BASED MANAGEMENT

This one day event will engage glomerular kidney disease researchers, clinicians, other healthcare professionals and patient families.

This event promises to foster new collaborations, close the gaps between research and clinical care and form common research agendas.
