

Educational Participation

BOLD = University of Pittsburgh / UPMC

| Time/Locaton | Topic/Section | Presentation | Author(s) |
|---|--|--|---|
| Award | AGA Innovation Fellow, 2025-2026 | | <u>Haseeb M</u> |
| Oral | | Epidemiology of Iron Deficiency Anemia Among Non-Pregnant U.S. Adults and Implications for Adoption of the 2020 American Gastroenterological Association Iron Deficiency Anemia Guidelines | Al Ta'ani O, Mayrer BM, Luche NM, Siddique SM, Peslak SA, Anderson TS, <u>Vajravelu RK</u> |
| Sat May 3 2:00-3:30 pm 29AB (SDCC) | Research Forum: Functional Dyspepsia, Nausea and Vomiting | | Levinthal DJ (moderator) |
| Sun May 4 4:02 pm 2 (SDCC) | Topic Forum: Innovations in Third-Space Endoscopy | 4258405: Outcomes of Submucosal Tunneling Endoscopic Resection (STER) for | <u>Mahmood S</u> |

| | | | |
|-------------------------------------|--|--|---|
| | | Esophageal Subepithelial Tumors: A Multicenter Study of 984 Patients with Long-Term Follow-Up | |
| Mon May 5 2:00 pm 20AB (SECC) | Research Forum: Carcinoids and GI Neuroendocrine Tumors | 4255270: Clinical Whole Transcriptome Sequencing of Pancreatic Neuroendocrine Tumors Reveals a Transcriptomic Profile Correlative of Poor Disease-Free Survival and Poor Disease- Specific Survival | <u>Mahmood S</u> |
| Tue May 6 9:00 am | | Sarcopenia in Chronic Pancreatitis: Prevalence and Associations in a U.S. Cohort | <u>Ferral M, Phillips AE</u> |
| | | | |

| | | | |
|---------------------|---|--|--|
| Poster | | Development of a Random Forest Model to accurately Identify Gallstone Pancreatitis in Real-World Health Databases | Villars JA, Phillips AE , Trikudanathan G, Yabes JG, Wang Y, Yadav D , Vajravelu RK |
| Poster Sat May 3 | Advancements in Population Health Cancer Screening: Gastric, Esophageal, Hepatocellular, Other Cancer Screening | 4258470: Prevalence of <i>Helicobacter Pylori</i> Infection Among an Asymptomatic, Multiethnic U.S. Population: A Gastric Cancer Screening Study | Hammad, Mahmood S |
| Poster Sat May 3 | Epidemiology of Gastrointestinal Disorders | 4258602: Risk Factors for <i>Helicobacter Pylori</i> Infection in a U.S. Population-Based Gastric Cancer | Hammad, Mahmood S |

| | | | |
|---------------------|---------------------|---|---|
| | | Screening Study | |
| Poster Sun May 4 | Esophagus | 4255298: Outcomes of Esophageal Per Oral Endoscopic Myotomy (E-POEM) by Early Career Endoscopists: A U.S. Multi-Center Study | <u>Mahmood S</u> |
| Poster Sun May 4 | Clinical Practice 2 | 4260790: Comparative Effectiveness of Primary Needle Knife Fistulotomy (P-NKF) Versus Transpapillary Cannulation Techniques in ERCP: A Systematic Review and Meta-Analysis of Randomized Controlled Trials | <u>Mahmood S</u> |
| Poster Sun May 4 | | 4237110: Cyclic Vomiting Syndrome Among | Wu M, Huang Z, Shakti D, <u>Levinthal DJ</u> |

| | | | |
|---------------------|--|---|--|
| | | Adults in the United States: Patient Characteristics, Treatment Patterns and Healthcare Resource Utilization | |
| Poster Sun May 4 | | 4237156: Cyclic Vomiting Syndrome Among Pediatric Patients in the United States: Patient Characteristics, Treatment Patterns, and Healthcare Resource Utilization | Wu M, Huang Z, Shakti D, <u>Levinthal DJ</u> |
| Poster Sun May 4 | | 4251788: Acoustic Features of Vomiting and Retching Episodes in Gastroparesis Patients | Vogal A, Kathiresan T, Graf L, Tracey B, Stylopoulous N, Gong Y, Imsinovic J, Tahir M, Yuan J, Zhang Y, Wu X, <u>Levinthal DJ</u> |

| | | | |
|---------------------|--|---|---|
| Poster Sun May 4 | Clinical Practice 1 | 4260672: Predictors of Submucosal Fibrosis and Its Impact on Outcomes in Patients Undergoing G-POEM for Refractory Gastroparesi s | Levinthal DJ, <u>Mahmood S</u> |
| Poster Sun May 4 | Health Economics (Cost of Illness, Cost-Effectiveness, and Health Economic Models) | Cost- Effectiveness s Analysis of Endoscopic Ultrasound- Guided Gastroenter ostomy Compared to Surgical Gastrojejuno stomy for Palliation of Malignant Gastric Outlet Obstruction | <u>Hasseb M, Groff A</u> |
| Poster Mon May 5 | Gut Liver Axis and Microbiome | 4259099: Altered Fecal Microbiome and Metabolome in Primary Sclerosing Cholangitis | Shaikh OS, Danish, <u>Mahmoo d S</u> |

| | | | |
|---------------------|--|---|---------------------------------------|
| | | and Inflammatory Bowel Disease: A Sulfur Signature Suggests a Distinct Pathogenic Role of the Microbiome in PSC | |
| Poster Mon May 5 | Pancreatic cystic Neoplasms, IPMN and Neuroendocrine Tumors (Clinical) | 4256080: <i>KRAS</i> Wild-Type Intraductal Papillary Mucinous Neoplasms are Characterized by Recurrent Alterations in <i>BRAF</i> , <i>ALK</i> , and <i>NTRK3</i> | <u>Mahmood S</u> |
| Poster Mon May 5 | IBD: Quality of Life and Psychosocial Outcomes | 4259778: Association of Insomnia with IBD Medication and Surgery Utilization: A Multi-Network Population Based Study | Abdullah, <u>Mahmood S</u> |
| Poster Tue May 6 | Clinical Practice 2 | 4258621: Assessing | Levinthal DJ, <u>Mahmood S</u> |

| | | | |
|---------------------|---------------------|---|--|
| | | Botox Response as a Predictor of Efficacy in Gastric Peroral Endoscopic Myotomy (GPOEM) for Refractory Gastroparesis | |
| Poster Tue May 6 | Clinical Practice 2 | 4257639: Efficacy and Safety of Gastric Peroral Endoscopic Myotomy (G-POEM) Performed by Early Career Endoscopists: A Multicenter retrospective Study | Levinthal DJ, <u>Mahmood S</u> |
| Poster Tue May 6 | | 4251787: Gastrointestinal Dysmotility in Patients with Multiple Sclerosis: A Single-Centered Study | Atieh, J, Zhu W, Chen C, Zongqi X, Levinthal DJ |

| | | | |
|-----------------------------|----------------------------|---|--|
| <p>Poster Tue May 6</p> | <p>Esophagus</p> | <p>Sloughing Esophagitis is Associated with Measures of Debilitation and Exhibits a Self-Limiting course – A Large Sample Case-Control Study</p> | <p>Mauro A, McGrath K, Singhi A</p> |
| <p>Poster Tue May 6</p> | <p>Clinical Practice 3</p> | <p>4258166: Comparing the Efficacy and Safety of Same Day Discharge Versus Inpatient Stay Following Gastric Peroral Endoscopic Myotomy (G-POEM)</p> | <p>Levinthal DJ, Mahmood S</p> |
| <p>Poster Tue May 6</p> | <p>Clinical Practice 2</p> | <p>4260556: Impact of G-POEM on Gastroesophageal Reflux Disease and Quality of Life in Patients with</p> | <p>Levinthal DJ, Mahmood S</p> |

| | | | |
|---------------------|--------------------------|--|------------------|
| | | Refractory Gastroparesi s | |
| Poster Tue May 6 | Endoscopic Ultrasound | 4253833: A Prospective, Observation al Analysis of ATRX/DAXX Protein Status in Pancreatic Neuroendoc rine Tumors Reveals Loss of Expression Correlates with Poor Patient Prognosis | Mahmood S |
