

Society of Thoracic Surgeons Adult Cardiac Surgery Star Ratings

The **UPMC Heart and Vascular Institute** is home to world-renowned leaders in adult cardiac surgery. We are proud to announce that UPMC has been awarded the highest possible rating of three stars in four procedures across four different UPMC locations by the Society of Thoracic Surgeons (STS).

- **UPMC Hamot:** Coronary Artery Bypass Grafting
- **UPMC Harrisburg:** Coronary Artery Bypass Grafting, Combined Coronary Artery Bypass Grafting and Aortic Valve Replacement, and Mitral Valve Replacement/Repair
- **UPMC Passavant:** Coronary Artery Bypass Grafting
- **UPMC Presbyterian:** Coronary Artery Bypass Grafting and Aortic Valve Replacement

These ratings are a testament to the innovative, patient-centered cardiac surgery care offered by experts at UPMC.

Our mission is to ensure that every patient who comes through our doors receives world-class, comprehensive care.
