

Alive & Well

A health presentation by UPMC

## *Boost Your Breast Health: From Prevention to Treatment*

**Wednesday, Oct. 9, 2024**

**For In-Person Attendance:**

5-5:30 p.m. - Registration

5:30 p.m. - Presentation

**For Virtual: 5:30 p.m.**

Join the expert panel of UPMC Western Maryland's breast care team for a conversation about breast health and breast cancer. These six health care providers will cover the importance of a team approach when treating patients from prevention to treatment.

**Join us in-person or online!**

### **1** *In-Person Registration:*

Registration is required; call **240-964-1437**.

#### **UPMC Western Maryland**

Auditorium Rooms, 2nd Floor

12500 Willowbrook Rd., Cumberland, MD

### **2** *Virtual Registration:*

1. Visit **UPMC.com/VirtualEvents**
2. Scroll down and click on **Register Now** under the event name.

- Once registered, you will receive a confirmation email with access to view the live, virtual presentation at 5:30 p.m. on your computer, tablet, or smart phone!
- Using a "Q&A" feature, you can even submit questions privately any time during the event.
