Terms and Conditions for the Office of Advanced Practice Providers (OAPP) Student Educational Experience Shadow Program

By accessing and using this service, you accept and agree to be bound by the terms and provision of this agreement. In addition, when using these services, you shall be subject to any posted guidelines or rules applicable to such services. Any participation in this service will constitute acceptance of this agreement. If you do not agree to abide by the above, please do not use this service.

Payment Policy

Individuals wanting to shadow an APP at UPMC must fill out an application, and pay $50 per shadow experience via OAPP Online Shadowing Portal. If a rotation is canceled on UPMC's behalf, the OAPP will work to find an alternate preceptor. If the OAPP is unable to find an alternate, the applicant's money will be refunded. No refunds if the applicant cancels.

Billing Information Verification

Orders are processed only after a billing address, and other billing information, has been verified. Occasionally, we receive incorrect billing or credit card account information that will cause a delay in processing. We will contact the applicant if this happens before moving forward.

Changes to This Agreement

UPMC reserves the right to modify these Terms of Service at any time. We do so by posting and drawing attention to the updated terms on the Site. Your decision to continue to visit and make use of the Site after such changes have been made constitutes your formal acceptance of the new Terms of Service.

Therefore, we ask that you check and review this Agreement for such changes on an occasional basis. Should you not agree to any provision of this Agreement or any changes we make to this Agreement, we ask and advise that you no longer participate in the Office of Advanced Practice Providers Student Educational Experience Shadow Program.

Contact Us

If you have any questions about this Agreement, please feel free to contact the Office of Advanced Practice Providers (OAPP) at APPStudents@upmc.edu.
