

# Dermatology Physician UPMC ALTOONA Regional Health Services

## About Our Health System

UPMC Altoona (part of the University of Pittsburgh Medical Center hospital network) is a 400-bed regional health care system providing care to residents of a six-county service area in central Pennsylvania. UPMC Altoona is a level II trauma center, regional oncology center, and a JCAHO-certified stroke center. UPMC Altoona provides comprehensive cardiology and cardiovascular surgery, neurosurgery, vascular and endovascular surgery, behavioral health and a vascular and wound care center. The Health System's medical staff is comprised of approximately 400 primary care physicians and specialists.

## About The Practice

UPMC Altoona Blair Medical Associates' Dermatology Department is currently comprised of 2 physicians and 4 PAs. The practice is part of a multi-specialty group with over 140 providers covering over 20 specialties for ease of referrals and patient continuity. Practice provides outpatient only service including skin biopsies, removal of skin melanomas and lesions, BOTOX injections, chemical peels, phototherapy and an array of other services.

## About The Opportunity

Competitive compensation package includes comprehensive benefits package inclusive of health, dental & vision insurance; retirement benefits, malpractice insurance, generous CME allowance.

## About Our Community

The Altoona/Blair County/Central Pennsylvania region is a family-oriented community with excellent school systems, abundant cultural amenities, easy access to larger, neighboring cities, and unlimited outdoor and recreational opportunities.
