

Interventional Cardiology Physician UPMC ALTOONA Regional Health Services

About Our Health System

UPMC Altoona (part of the University of Pittsburgh Medical Center hospital network) is a 400-bed regional healthcare provider serving central Pennsylvania. The hospital hosts a level II trauma center, regional oncology center, and a Joint Commission certified primary stroke center. Signature services include comprehensive cardiology and cardiovascular surgery, bariatric and robotic surgery, behavioral health, maternity and wound care. The medical staff is comprised of approximately 400 primary care physicians and specialists.

About The Practice

ARHS Blair Medical Associates Cardiology practice includes two interventional cardiologists, one non-invasive cardiologist, two electrophysiologists, one heart failure specialist, one vascular surgeon, four PAs and two CRNPs, providing services in four locations. Part of UPMC's Heart & Vascular Institute, Altoona's team also includes additional vascular, cardiac and thoracic surgeons. The hospital has two EP/cath labs which supports Watchman and TAVR procedures. Outpatient and pacemaker clinic, as well as lab, imaging, rehab, and many primary and specialty physician offices, are in a medical mall 1-1/2 miles from the hospital.

About The Opportunity

Primarily an outpatient practice with inpatient consults, diagnostic and therapeutic procedures, work schedule is Monday-Friday, 8 am – 5 pm. Call schedule will be 1:4.

Competitive compensation and benefits package includes base salary plus productivity bonus, sign-on bonus, relocation, annual CME days and allowance, PTO, health/dental/vision/life and disability insurance, employer-funded retirement plan, and occurrence-based malpractice insurance.

About Our Community

Altoona is a small city surrounded by mountains in central Pennsylvania, with easy access to 5 major metro areas – offering a friendly, and uncomplicated lifestyle filled with cultural and recreational opportunities. Hiking, biking, paddling, fishing and skiing are popular at nearby state parks, resorts and rail trails. Big10 sports, national touring performing artists and an active social scene are among the highlights of neighboring State College, home to Penn State's University Park campus.
