

# Radiology, Breast Imaging Physician UPMC ALTOONA Regional Health Services

## About Our Health System

**UPMC Altoona** (part of the University of Pittsburgh Medical Center hospital network) is a 400-bed regional healthcare provider serving central Pennsylvania. The hospital hosts a level II trauma center, regional oncology center, and a Joint Commission certified primary stroke center. Signature services include comprehensive cardiology and cardiovascular surgery, bariatric and robotic surgery, behavioral health, maternity and wound care. The medical staff is comprised of approximately 400 primary care physicians and specialists.

## About The Practice

**UPMC Altoona Radiology** is an employed, 17-member radiology group, that reads more than 200,000 studies per year for UPMC Altoona hospital. Practice locations include the main hospital and an outpatient center located five minutes from the hospital. Mammography equipment includes: five Hologic Dimensions 3D tomosynthesis units. The Mammography Department is accredited by the American College of Radiology and MQSA (Mammography Quality Standards Act).

## About The Opportunity

UPMC Altoona Radiology is seeking a full-time, fellowship trained (preferred, but not required), breast imaging radiologist. Our breast imaging radiologists currently read over 19,000 mammography studies per year. The practice provides breast tomosynthesis, breast MRI, breast ultrasound, stereotactic breast biopsies, and sentinel lymph node biopsies.

Competitive compensation and benefits package includes base salary plus productivity bonus, sign-on bonus, relocation, annual CME days and allowance, PTO, health/dental/vision/life and disability insurance, employer-funded retirement plan, and occurrence-based malpractice insurance.

## About Our Community

Altoona is a small city surrounded by mountains in central Pennsylvania, with easy access to 5 major metro areas – offering a friendly, and uncomplicated lifestyle filled with cultural and recreational opportunities. Hiking, biking, paddling, fishing and skiing are popular at nearby state parks, resorts and rail trails. Big10 sports, national touring performing artists and an active social scene are among the highlights of neighboring State College, home to Penn State's University Park campus.
