

## Intent to Participate Form

(To be completed if participant is 18 years or older)

I, \_\_\_\_\_, request to participate in all activities associated with the UPMC PSD Shadow Program. The purpose of the Shadow Program is to broaden my understanding of a particular career by observing an experienced, competent mentor while he or she performs jobs, duties, and responsibilities within the work environment. In general, the shadow experience will last for three or less days.

I understand that in order to participate in the Shadow Program, I will need to provide medical documentation confirming tuberculosis (TB) testing, within the past twelve (12) months and a signed Confidentiality Agreement. I will comply with all rules and regulations of the Hospital while in this program. I understand that failure to comply with the Hospital's rules will result in immediate removal from the Shadow Program.

I hereby release and discharge UPMC, its agents, servants, and employees, and persons, firms, or corporations contracting with, or acting on behalf, of these groups, with respect to the activities of the Shadow Program, as well as their heirs, executors, administrators, successors, or assigns, from any cause of action of any nature whatsoever arising from my participation in the activities of the Shadow Program.
