"I have received a great educational experience here at UPMC Hamot and feel that the knowledge that I have received during my residency had prepared me greatly. All of the faculty, attendings and staff have been very approachable and eager to teach.

– **Michelle Kuczma, DO**
Neurology, Class of 2012

"I am proud to be a new member of the UPMC Hamot Orthopedic Residency because of all the great opportunities provided by our training program."

– **Nathan Monaco, MD**
Orthopaedic Surgery, Class of 2016

"I chose UPMC Hamot because of the program's tremendous reputation, curriculum structure, and the surrounding community of Erie... The support services of the administrative staff are top-notch as well as the medical staff. So far in my experiences here, I have never felt abandoned or alone with any of the attending physicians. The class sizes are small which allows for great learning experiences and plenty of one-on-one time. – Jeffrey DeFranc, DO

*Emergency Medicine
Class of 2015*
