Upon arrival

When you arrive on campus, you may park in one of the fee-based parking areas (green on map). Once parked, make your way to the main entrance of UPMC Hamot, located at 201 State Street. At the Information Desk in the main lobby, ask for directions to the Security Department in the sub-basement.

Once at Security, knock at the door – someone is there to answer 24/7. Request a housing envelope addressed to you. Your apartment assignment will be noted on the outside of the envelope. Inside the envelope you will find a key for your assigned apartment.

Once you secure your key, you may begin moving into the apartment. There is one parking spot for each apartment. please use this for unloading only. (see on map) It's likely other student(s) are already in occupancy so try to be courteous and mindful of noise as you move in. You may park in the green lots on the map overnight for a fee.

On the first Monday of your rotation, you will meet with Autumn Geiger to submit your \$10 housing deposit and receive a door access badge and a UPMC parking decal. Autumn is with the UPMC Hamot Graduate Medical Education (GME) Office, located at 100 State Street, Suite 320.

After acquiring the parking decal, it is recommended that you affix it to your vehicle as soon as possible.

Your keys must be returned to the GME Office (business hours) or to UPMC Hamot Security Office (open 24/7) at the end of your rotation. Autumn Geiger performs walk-throughs of the apartments to ensure the premises are clean and well-maintained. Most typically, this will occur on a Friday around noon. Students will be held accountable for any damage.

Compliance during your stay

1. The premises are to be kept clean. Students are responsible for cleaning up after themselves (i.e. washing dishes, taking out trash, cleaning spills/splatters inside microwave and refrigerator, etc.) Whenever you use the kitchen, make sure it is left tidy and clean for others. A professional cleaning company performs light cleaning every two weeks, which includes but is not limited to: vacuuming, cleaning restroom(s), dusting, etc.)
2. Keep food sealed and/or in the refrigerator to avoid attracting pests.
3. Discard all food, including non-perishables, condiments/spreads/preserves, and frozen food that you are not taking with you. **Do not leave food items behind.**
4. Keep your apartment front/back door locked at all times. If needed, call UPMC Hamot Security, 814-877-6666, for assistance.
5. If you lose your keys, contact Autumn Geiger.
6. There are to be no pets on the premises.
7. Possession and/or use of alcohol in the housing quarters is prohibited.
8. There is to be absolutely no smoking or open flames (i.e. candles) in any UPMC Hamot building. UPMC Hamot is a Tobacco-Free campus. Students are not permitted to use tobacco products while on UPMC Hamot property and leased space occupied by UPMC Hamot and its affiliates. As with employees, students are not permitted to use tobacco products during their work shift, including breaks/lunch.
