

Articulation Agreement

UPMC Jameson has an articulation agreement with Pennsylvania Western University-Clarion in which students enrolled in Pennsylvania Western University's Medical Imaging Sciences program may apply to UPMC Jameson in their junior year. If the student is accepted and is successful in completing UPMC Jameson School of Radiography's program the student is issued a Bachelor of Science Degree or an Associate of Science Degree from Pennsylvania Western University-Clarion upon completing all of Pennsylvania Western University-Clarion requirements.

UPMC Jameson also has an articulation agreement with UPMC Horizon for additional clinical site locations.
