

Hospital Wayfinding Instructions

UPMC McKeesport

Due to a temporary road closure at UPMC McKeesport, patients and support persons being dropped off should follow these instructions for entering the hospital:

1

Enter through the Painter Building and proceed up the ramp to the elevators directly to your left.

2

Take the elevators down to the first floor.

3

Make a left out of the elevator and proceed down the hallway following the purple floor signs to the courtyard entrance where you will be given further directions as needed.

We apologize for the inconvenience. Please ask a staff member if you have any questions.
