## Our Signature Services

### UPMC Heart and Vascular Institute

UPMC Heart and Vascular Institute offers comprehensive care and treatment for every type of heart and vascular condition. From basic diagnostic tests to highly advanced imaging and treatment options, to dedicated programs like our comprehensive Magee-Womens Heart Program, the cardiac experts at UPMC Passavant-Cranberry deliver treatment options tailored for your needs.

### UPMC Hillman Cancer Center

UPMC Hillman Cancer Center is the region's only National Cancer Institute-designated Comprehensive Cancer Center, recognized for cutting-edge cancer care and significant research efforts that contribute to new and better therapies. Our cancer experts work together to bring advanced medical and gynecologic oncology treatments close to home at UPMC Passavant-Cranberry, where patients have access to chemotherapy, an infusion center, a Breast Cancer Risk Management Clinic, the latest clinical trials, and support services and groups.

### UPMC Magee-Womens Specialty Services

UPMC Magee-Womens Hospital is a National Center of Excellence in Women's Health. UPMC Magee-Womens Specialty Services at UPMC Passavant-Cranberry features a wide range of comprehensive diagnostic, surgical, and outpatient services for women of all ages, including.

- Breast surgery (including mastectomy with or without reconstruction)
- Gynecologic oncology
- Obstetrics and gynecology
- Same-day hysterectomy

### Emergency Services

At UPMC Passavant-Cranberry, our specialists provide 24/7 emergency care for complex illnesses or injuries. An onsite STAT MedEvac® heliport is available for emergency transfers and trauma-related injuries. Using telemedicine, the emergency medicine providers consult with experts at UPMC Children's to bring specialized pediatric care to our communities. In collaboration with UPMC Children's Hospital of Pittsburgh, UPMC Passavant provides top-quality care to pediatric patients at both our Cranberry and McCandless Emergency Departments. If your child needs follow-up care, we'll make the appointment for you before you leave.

### UPMC Lemieux Sports Complex

The UPMC Lemieux Sports Complex is the primary practice and training facility for the Pittsburgh Penguins and a comprehensive outpatient facility for UPMC Sports Medicine, UPMC Rehabilitation Institute, UPMC Magee-Womens Specialty Services, and UPMC Children's Express Care. This first-of-its-kind facility in the Pittsburgh region is a true partnership between two organizations. Our experts provide a range of services, including physician specialists, imaging and diagnostics, physical therapy, and concussion management.
