

What to Expect

AS OUR GUEST AT THE FAMILY HOSPICE INPATIENT UNIT

Family Hospice is located at Canterbury Place, part of UPMC Senior Communities. It provides round-the-clock expert treatment of symptoms that cannot be managed successfully at home. The stay is generally short term. A specialty hospice-trained interdisciplinary team, including palliative care certified physicians, nursing, spiritual care, and counseling services, cares for our guests.

Our secure unit offers 12 private rooms and baths for all patients admitted to our care. Futons are provided in each room for overnight accommodations.

A fully equipped kitchen is available for your use.

Extended family and friends can make use of the dining room.

The family lounge is a welcoming space for all guests.
