UPMC SKILLED NURSING AND REHABILITATION SERVICES

Our skilled nursing and rehabilitation facilities provide expert care for those recovering from surgery or other medical treatments. We provide 24-hour nursing services, assistance with activities of daily living, and care focused on restoring health and independence.

In partnership with the UPMC Rehabilitation Institute and the UPMC Heart and Vascular Institute, many locations offer Transitional Care Units (TRUs) designed to support the short-term skilled patients discharging from hospitals but not ready for home. The TRUs offer specialized care with the majority of patients transitioning to home. The following list provides the locations of the UPMC Senior Communities skilled nursing and rehabilitation facilities. Additionally, select locations also offer skilled memory care.

For referrals to the majority of the UPMC Senior Communities skilled nursing and rehabilitation facilities, please call the UPMC Senior Communities Central Admissions Office at 412-688-3900. For information on other UPMC Senior Communities levels of care including independent living, personal care, assisted living, and memory care call 1-800-424-6623.
